

Erika Schauer Grade 4

Ms. Erika Schauer attended elementary school at St. Mary's Mayville where she really began to understand and value the importance of a Catholic education. After graduating from Mayville High School, she attended Edgewood College in Madison. This past May she graduated from Edgewood with a major in Elementary Education and a minor in Mathematics. She is very excited to bring her coursework knowledge to the classroom!

Ms. Schauer is blessed with a caring and loving family. As Ms. Schauer's first teachers, her parents instilled the importance of God in her life and introduced her to the Catholic Church. Together as a family, they love to fish, hunt, spend time at their cabin in northern Wisconsin, and cheer on Wisconsin sports.

Ms. Schauer loves the SJ23 community of learners and enjoys the students and staff, who are growing as saints together.
