

Marie Lippe

5th - 7th Grade Reading & Language Arts

I am Mrs. Marie Lippe. I am on my third year teaching Middle School Reading at St. John XXIII and I am proud to be both a teacher and parent here as well. My husband Jason and I have four children; Natalie, Jacob, Patrick and Carolyn. As a family we love to go hiking, play games in the backyard, play cards, watch Wisconsin sports, and enjoy popcorn movie night!

I am one of 9 kids with myself being the 3rd youngest. I have 3 brothers, 5 sisters and 2 amazing parents that have been my inspiration. Jason and I are so fortunate to live within a short driving distance to all of my siblings and the 32 cousins. Therefore, very close relationships amongst family and cousins is cherished.

I am a graduate of Ozaukee High School as well as an alumni of University of Concordia-Mequon. There I received my Bachelor's degree in regular education, Masters in Curriculum & Instruction and Reading Teacher certification. It is a goal of mine to be a life long learner in the field of education as well. Before coming to St. John XXIII School, I taught in the West Bend School District, Milwaukee Public School District and Port Washington School District.
