

DECEMBER COUNSELING CORNER

November Review

BUDDY ACTIVITY

November's buddy activity was Thanksgiving Bingo. Students were paired with their buddies to have a little fun before kicking off Thanksgiving break.

NOVEMBER TRAIT OF THE MONTH

November's trait of the month was gratitude. Gratitude is "choosing to appreciate the people and things in our lives".

DECEMBER TRAIT OF THE MONTH

December's trait of the month is empathy. Empathy is "understanding and connecting to other's feelings". Students will be working on how to empathize with others; taking a look at others' perspectives and how they can relate to them to help strengthen connections.

Career Cafe

In November, our career cafe speaker for our 6th –8th grade students was Jason Sepanic. Jason spoke to middle school students regarding his career in the Army. Students were engaged and asked some great questions for additional insight from Mr. Sepanic!

MIDDLE SCHOOL LESSONS

- This month in addition to middle schools Character Strong lessons, middle school students did a lesson on digital citizenship. We discussed safety and security online as well as how to maintain our privacy and why it's important.
