CATHOLIC SCHOOLS WEEK 2026

National Catholic Schools Week is a time to celebrate the gift of Catholic education in the United States. This week is filled with fun activities that bring together our students, school community, and partners in the mission of educating children in the Catholic Faith. Our goal is to highlight the many ways Catholic education benefits our students and contributes to the church, our local community, and our nation as a whole. *Thank you for being a vital part of our school community and for choosing St. John XXIII.*
